

Sandstorm Aggie Moms

2020-2021 Calendar of Events

Aggie Moms is an organization and support group for mothers of students attending Texas A&M at College Station or Galveston. Joining our club you will learn valuable information about the experience of having a student at A&M from fellow moms. Your purchase of goodie boxes and gift card packets allows you to help support your Aggie from far away and to send them some west Texas love. We will also do some fun activities such as making ornaments and painting canvas/wood pieces. Your support of the club by selling the raffle tickets allows us to help send money to our Aggies' student campus organizations as well. We also have monthly door prizes. Come join us and make new lifelong friends while supporting our Aggies!
